

ESTABLISHED 1884

GENERATIONS *of* TRUST

OUR VISION

To be the most highly regarded mid-size law firm in Toronto.

OUR MISSION

Since 1884, we have been providing our clients with exceptional legal advice in a comprehensive range of practice areas, including business law, civil litigation, family law, real estate and wills, estates and trusts. We have a genuine interest in our clients and offer practical, problem-solving advice.

We live this mission by unwavering dedication to the following principles:

- For our clients, we work hard to provide superior legal services on a timely, effective and efficient basis while maintaining the highest standards of professional integrity.
- For our firm, we foster an enjoyable working environment based on honest communication and mutual respect. We reward initiative, problem solving, commitment and collaboration.
- For our community, we continue our long tradition of service and leadership.

For us, there is no better question than “How Can We Help?”

OUR VALUES

INTEGRITY

Trust, accountability, honest communication, commitment and dedication are integral to the way we operate.

COMPETENCE

We are dependable and highly skilled experts with a breadth of vision. We are efficient in our practices and effective in our service.

INITIATIVE

We are forward thinking, proactive professionals who solve problems and anticipate needs.

COOPERATION

We collaborate, are flexible in our approach and work together to provide the very best service.

RESPECT

Our accessibility, openness and commitment to our clients and each other have been our hallmarks since 1884.

CARE

Consideration and empathy are central to our approach. We genuinely care about our clients, our colleagues and the practice of law.
